

BURSARIES FOR COURSES GUIDELINES

These guidelines are for information for members applying for funds for courses from Cumberland NC. They should be used by the Committee in deciding whether and how much to contribute to payments for courses being undertaken by Club members.

COURSES WHERE MEMBER WILL RECEIVE FUTURE PAYMENT

If an applicant will have the opportunity to be paid for services upon completion of the course e.g. umpiring, coaching then the following guidance would apply:

- If the cost of the course is under £50 the Club will contribute half
- If the cost of the course is over £50 the Club will contribute 1/3 and assist the applicant to apply for bursaries from other organisations for the remainder.
 - If bursaries from other organisations are not available the Club will consider negotiating with the applicant to reimburse the coach the 2/3 cost via coaching payments following completion or during the course.
 - We will fund a minimum of £25 and up to a maximum of £250 contribution per course per person

COURSES PURELY FOR BENEFIT OF THE CLUB

If an applicant is attending a course that is purely for the benefit of the club and would not have the opportunity to benefit financially from attending the course then the Club will pay the full amount. The Club will only send volunteers on Club related courses that are under £35. If members of the Club wish to attend a course over this amount, the member will be expected to pay the excess amount, except in exceptional circumstances at the discretion of the Committee.

CONDITIONS FOR CONSIDERATION

All contributions from the Club will only be made to active volunteers within the Club who are committed to continue volunteering for the club following completion of the course.
